

TAURANGA OPEN CROSS COUNTRY - 2017 Saturday 27 May - Rain or Shine Waipuna Park, Kaitemako Road, Welcome Bay

The Tauranga Open Cross Country is held at Waipuna Park, Welcome Bay on Saturday 27 May - rain or shine. We would love to have your child as part of our school team. Selwyn Ridge has held the title since 2009 for having the most children entered in the schools points competition and gaining places in a range of age groups.

Training: Your child has the opportunity from Tauranga Ramblers to have free training sessions every Monday at 4:00pm to 5:00pm. Runners meet Malcolm Taylor & Michael Pugh at the carpark at Waipuna Park - please wear suitable running shoes and clothes, bring a water bottle.

Boys and girls races run together and are calculated when they go through the finish. The school competition points are calculated based on each year of birth of the children. It is beneficial to our school team to have a range of ages entered whether they are top runners or just enjoy running.

Pre-schoolers are welcome to join our school team as well.

Julie Taylor will register students through school. Entry is \$7:00 per runner. Registration forms and payment will need to be put in the sports box in the office by Tuesday 23 May. Late entries will be accepted on the day but a \$2 late entry fee will apply.

The event details are attached to this letter.

On the Day:

The team meets Julie Taylor at Waipuna Park at the top of the hill by the clubrooms at 12:15pm for a team photo and a warm up. Once they run their race they are allowed to leave or they are welcome to stay for the prize giving. Children are to wear our school pe shirt, a shirt can be loaned on the day if needed.

If you have any questions please contact me.

Kind Regards

Julie Taylor
