Web Site Authority

At Selwyn Ridge we love to share our learning. One way that we do this is by printing student learning online on our school website (www.selwynridge.school.nz) and other related websites (such as class blogs or wikis). This learning might be stories, photos or movies. If you would like to come and talk to someone about having your students learning online, we would be happy to talk with you.

As part of the Selwyn Ridge Online Publication policy we need to have parental permission before any student learning is shared online. Please complete the details below:

I give permission for my child _____ to have their learning published on the Selwyn Ridge School Website and other related websites for educational purposes. I understand that my child will not have their personal details identified other than their first name and year group.
